

CORPORATE MATCHING GIFTS

Abilene Christian University is grateful for the support of corporations and foundations who demonstrate their philanthropic spirit by matching their employees' and retirees' charitable donations. In the 2004-05 fiscal year, we had 81 companies who contributed \$194,623.66 in additional gift revenue to ACU! We are grateful to each individual who made a gift and submitted their matching gift form. Corporate matches doubled, tripled and in some cases quadrupled the impact of our donors' gifts.
