

MORRIS TEAM PATHFINDERS

It is our privilege to honor the following donors who have faithfully given to ACU's Annual Fund for over 10 consecutive years. According to Webster's, a pathfinder is "one who discovers a way into or through unexplored regions." These individuals, businesses, and matching gift companies are leading the way for the donors who follow them as we enter our second century of educating students for worldwide Christian service and leadership. Their gifts, large and small, have shown us all how to make the "annual" fund a "perennial" event. Thank you!
